

Save Time and Money...

Join the Automatic Bill Payment Plan today!

How does it work?

It's easy! Just complete the enrollment form below, detach, and return it to us. We will continue to mail you your monthly statement, and you won't have to write us a check for payment each month.

How will my bill be paid?

On the due date shown on your monthly statement (the 28th of the month, or the first business day to follow), the amount due will automatically be deducted from your checking or savings account or charged to your credit card you provided.

All banking information is securely stored within our system.

How can I be sure my bill has been paid?

The payment will appear on your banking or credit card statement as a transaction to Stoughton Utilities. It will also appear on the next billing statement you receive from us.

When will this take effect?

Normally before your next billing cycle. Look for notification on your billing statement.

What if I want to stop the Automatic Payment Plan?

You can cancel the option at any time. Simply contact us at (608) 873-3379.

Please detach, and return bottom portion, along with your current payment, in the enclosed return envelope.

Automatic Bill Payment Enrollment Form

Please include a voided check if selecting withdrawal from a checking account.
